Once upon a time there was a Juniper FX that was purchased for \$5 million by a rather unscrupulous person. This Juniper FX was extremely valuable in itself, with lots of features. It was however known to have some issues with its firmware, so was left to gather dust for years, until an IT professional with a toolbox and some spare time came along and managed to crack it. So what exactly is this Juniper FX? Continue Reading. In this Juniper firewalling course, you will learn all about the basics of Juniper firewalling. You'll learn what is firewall, how Juniper Firewall Works, what is Junos OS, what are all the Juniper firewall components.
